

EAGLEHAWK

SAUVIGNON BLANC

2011

When Wolf Blass bought his first vineyard in the Barossa, he was delighted to discover that its name 'Bilyara' was the Aboriginal word for Eaglehawk. This proud bird has become the image synonymous with the winery and its global success.

Wolf Blass quality and flavour is evident throughout this range of fresh and approachable wines for everyday drinking. Sourced from many different vineyards in South Eastern Australia, the result is an excellent value wine made with vast expertise.

WINE SPECIFICATIONS

VINEYARD REGION	<i>South Eastern Australia</i>
VINTAGE CONDITIONS	<i>The 2011 Vintage was challenging due to high summer rainfall and a cool growing season throughout South Australia. Careful vineyard selection was crucial in maintaining quality in a year with higher disease pressure. The cooler conditions acted to maintain excellent acid levels in both reds and whites, with bright, vibrant wines resulting.</i>
GRAPE VARIETY	<i>Sauvignon Blanc</i>
MATURATION	<i>This wine was matured in stainless steel to retain a fresh fruit focus.</i>
WINE ANALYSIS	<i>Alc/Vol: 9%</i> <i>Acidity: 6.6g/L</i> <i>pH: 3.65</i>
