

# Vineyards Release

Chardonnay  
2010

Launched in 2010, Vineyards Release is a range of elegant and easy drinking wines. The Wolf Blass style of quality and flavour is marked throughout the Vineyards Release range of fresh and approachable wines made for casual occasions and everyday celebrations.

Wolf Blass migrated to Australia in 1961 with a belief that he would 'add something' to the Australian wine industry. Today, Wolf Blass is internally recognised for its award winning wines of quality, character and consistency in style.

## WINE SPECIFICATIONS

VINEYARD REGION	<i>South Eastern Australia</i>
VINTAGE CONDITIONS	<i>Mild weather conditions in the lead up to the summer period were followed by warm to hot temperatures in early to mid January. Fluctuating heatwaves in late January were tempered by milder conditions in late February and March. Despite the warm conditions, vineyards with good protective canopies produced good quality fruit.</i>
GRAPE VARIETY	<i>Chardonnay</i>
MATURATION	<i>This wine was matured for six months with French oak.</i>
WINE ANALYSIS	<i>Alc/Vol: 13.5%</i> <i>Acidity: 6.6g/L</i> <i>pH: 3.46</i>
PEAK DRINKING	<i>Enjoy now</i>

## WINEMAKER COMMENTS

COLOUR	<i>Pale straw with a vibrant edge on the rim.</i>
NOSE	<i>The bouquet is lifted with white peach, citrus and green melon characters, with subtle oak integration.</i>
PALATE	<i>The palate is medium weight with elegant lemon and melon flavours supported by a backbone of crisp acidity and supporting oak. The finish is clean and refreshing.</i>
