

# Vineyards Release

Shiraz  
2010

Launched in 2010, Vineyards Release is a range of elegant and easy drinking wines. The Wolf Blass style of quality and flavour is marked throughout the Vineyards Release range of fresh and approachable wines made for casual occasions and everyday celebrations.

Wolf Blass migrated to Australia in 1961 with a belief that he would 'add something' to the Australian wine industry. Today, Wolf Blass is internally recognised for its award winning wines of quality, character and consistency in style.

## WINE SPECIFICATIONS

VINEYARD REGION	<i>South Eastern Australia</i>
VINTAGE CONDITIONS	<i>Mild weather conditions in the lead up to the summer period were followed by warm to hot temperatures in early to mid January. Fluctuating heatwaves in late January were tempered by milder conditions in late February and March. Despite the warm conditions, vineyards with good protective canopies produced good quality fruit.</i>
GRAPE VARIETY	<i>Shiraz</i>
MATURATION	<i>This wine was matured with French and American oak for six months.</i>
WINE ANALYSIS	<i>Alc/Vol: 13.5%</i> <i>Acidity: 5.8g/L</i> <i>pH: 3.63</i>
PEAK DRINKING	<i>Drink now to enjoy the wine's fresh, youthful flavours.</i>

## WINEMAKER COMMENTS

COLOUR	<i>Rich red with a solid core.</i>
NOSE	<i>Blueberry and plum aromas with red berry fruit and soft integrated oak.</i>
PALATE	<i>The palate is medium bodied, showing soft complex fruit flavours with rich berry characters. Complex tannins give the wine a soft, lengthy finish.</i>
