WINE SPECIFICATIONS

VINEYARD REGION	<i>South Australia</i>
VINTAGE CONDITIONS	<i>Above average winter rainfall set up the growing season with optimal soil moisture. Spring was cool and wet, with good conditions during late flowering. Cool weather continued into summer, with mostly moderate conditions remaining right through to a delayed harvest, maintaining vine balance, extending ripening, and ensuring excellent aroma and flavour development.</i>
GRAPE VARIETY	<i>Pinot Noir</i>
MATURATION	<i>37% was matured with oak for up to 6 months to provide structure and complexity while retaining delicate fruit flavours.</i>
WINE ANALYSIS	<i>Alc/Vol: 13.0% Acidity: 5.6 g/L pH: 3.59</i>
PEAK DRINKING	<i>Best enjoyed in its youth, however will continue to develop with careful short-term cellaring.</i>
FOOD MATCH	<i>Great with veal scaloppini with wild mushrooms, or roast duck with cherries.</i>

WINEMAKER COMMENTS

COLOUR	<i>Bright cherry red with a purple rim.</i>
NOSE	<i>Black cherry and strawberry notes are complemented by savoury varietal characters, with a touch of stalkiness adding extra depth.</i>
PALATE	<i>Fruit driven with notes of strawberries and cherries. The palate is long with a textural middle derived from maturation on lees in old oak. Soft tannins round out the finish and a fresh acidity holds the palate together from start to finish, giving the wine vibrancy.</i>
